Welcome to My Survey

Thank you for participating in our survey. Your feedback is important.

Haynes Parish Plan

Welcome to My Survey

Have your say on the future of Haynes!

This survey has been developed by a group of Haynes residents, guided by Bedfordshire Rural Communities Charity. The group has been meeting regularly to identify areas of interest and concern to inform this questionnaire.

Completion of this questionnaire by as many residents of Haynes as possible will give a clear view of the issues of concern for residents, and ideas for the future. The findings will be used to develop two new plans for Haynes:

A Parish Plan: actions to be taken forward by the Parish Council over the next 5 to 10 years to develop the village in line with everyone's views.

A Neighbourhood Plan: a set of planning policies to guide the development and use of land within the Parish boundaries.

It might not be feasible or affordable to take forward all ideas that result from the survey, and some will require support from the Parish Council and/or Central Bedfordshire Council. The plans will, however, provide an important focus for directing future use of resources, and some initiatives can be taken forward by us, as a community. The plan will provide a combined view of what people in Haynes want for the future, giving a stronger voice to the community.

It is important to note that, without a Parish Plan, we are much less able to influence the location of any new developments in the village.

Completing the questionnaire

We would like as many of the Haynes residents to fill in the questionnaire as possible. This will give the best, most complete picture of what everyone thinks – not just a select few! Please complete the questionnaire even if you have already been to one of the open events in the village.
